RIT-OLA

MYSTISKA
ÖDEN
OCH ÄVENTYR

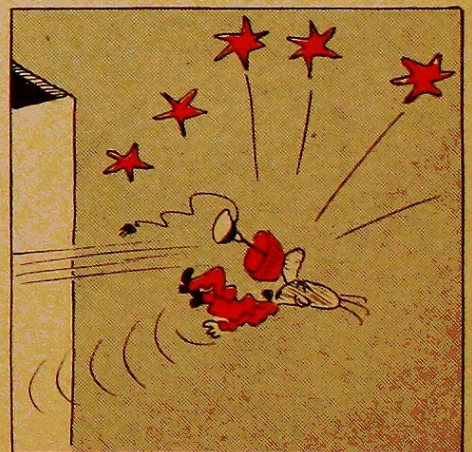

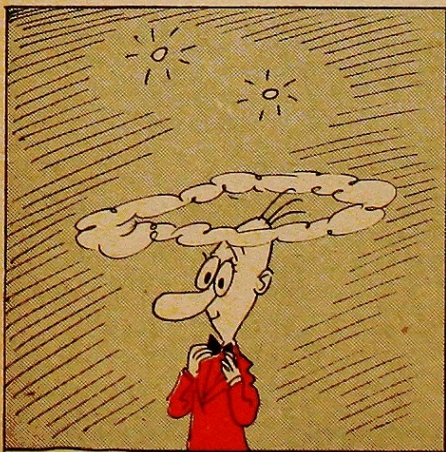

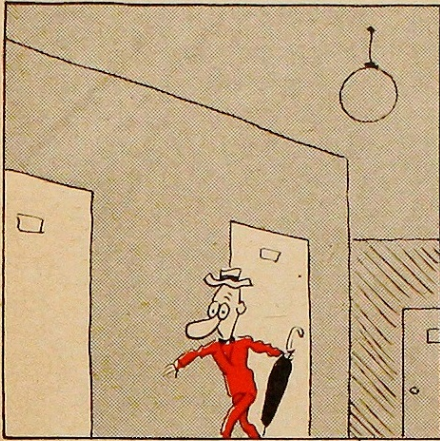

Ärade läsare!

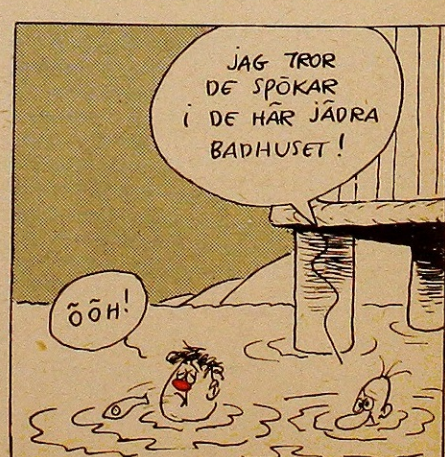

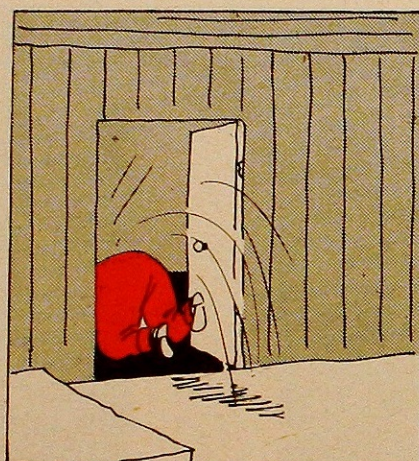

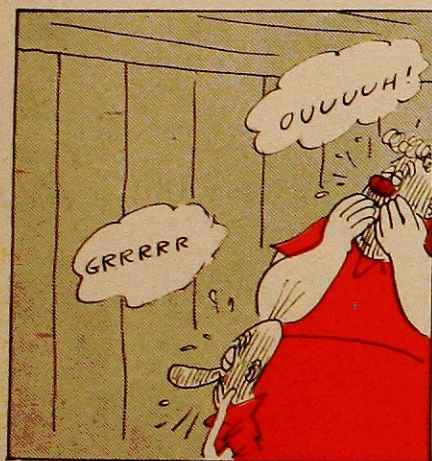

Biffen, Bananen och Galento ber som vanligt att få önska en God jul och ett Gott nytt år. Trots en serie hisnande luftfärder och andra pinliga intermezzon har dom fortfarande de ädlare delarna i behåll och näsan mitt i ansiktet. Beträffande nästa års evenemang väntar trion sej mycket av en invitation dom fått från Sydamerika — en upptäcktsfärd uppför Amazonfloden. Ryktet att Bananen skulle gifta sej med Gina Lollobrigida och dra sej tillbaks till ett slott i Italien är sannolikt överdrivet. Hur som helst — vi kommer att rapportera vad som händer och vi kommer i Folket i Bild varje vecka. På återseende alltså.
