Ärade läsare!

På Biffens, Bananens, Galentos och egna vägnar ber jag att få önska God Jul och Gott Nytt År!

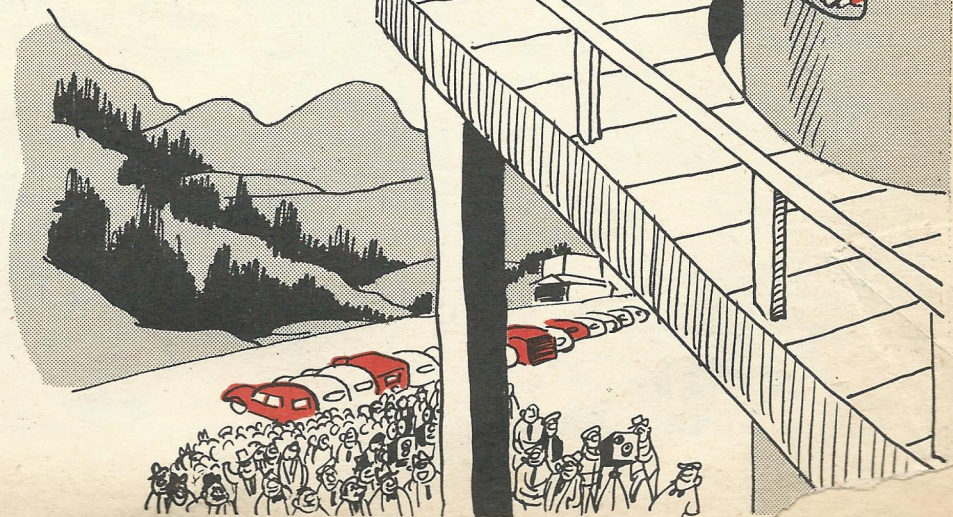

Trots nattsvarta bovar och förskräckliga vilda djur har de tre kämparna fortfarande både hälsan och det vänliga sinnelaget i behåll. Efter vad vi erfarit från välunderrättat håll har dock atombombexperimenten och den allmänna oredan på jorden givit Galento idén att kуска till Mars och se efter om det inte är lugnare där. Biffen och Bananen följer givetvis med.

Det ryktas om att Biffen ska få Vasaorden för sina insatser som boxare och Bananen funderar allvarligt på att göra en upptäckt så han kan knäcka Biffen och få Nobelpriset. Galento nöjer sig med pannbiff.

Ja, den som lever få se vad som händer... FIB kommer att befinna sej i centrum och rapportera varje vecka.

På återseende alltså – i Folket i Bild!

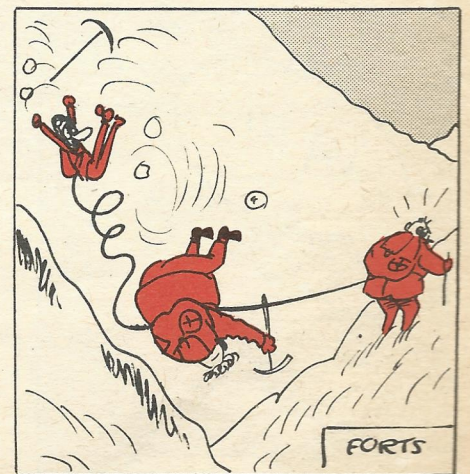

Eder förbundne
