OLA

Ärade läsare!

Biffen, Bananen och Galento ber genom mej att få önska Er en God Jul och Ett Gott Nytt År!

Tiderna är ju rätt bistra men trion hänger med rätt skapligt.

Galentos vilda försök att bli gift har visserligen hittills misslyckats — han tappar mustascherna i det avgörande ögonblicket — men än finns det hopp. Bananens ambitioner att bli rock-kung sprack men efter vad vi i pressläggningsögonblicket erfarit tänker han bli racerförare i stället.

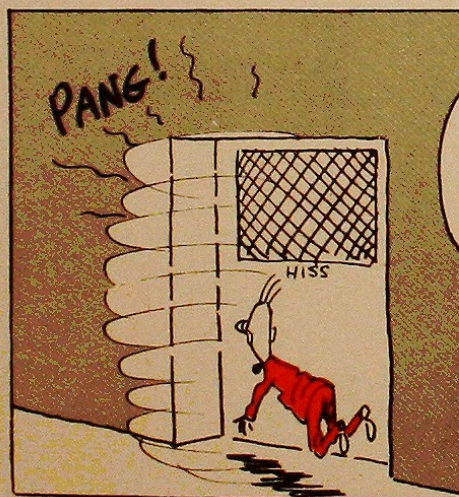

Han kom nyligen över en racerbil på realisation och ämnar börja med Monacos Grand Prix. (Ortsbefolkningen och kringirrande boskap varnas.)

Givetvis kommer gänget också att besöka Casinot i Monte Carlo och andra skumma ställen. Vi kommer att hänga med i kurvorna och rapportera vad som händer — både under racerloppen och bland "skummisarna" i Monte Carlo. Varje vecka i Folket i Bild.

På återseende alltså!
